Boy Scouts Drive For Delegates Fund Seeking Sponsor

Hamlin was confronted with a pressing problem this week in the knowledge that sufficient money had not been raised to defray the expenses of the Boy Scout delegates to the annual convention in Valley Forge, Pennsylvania.

Delegates were elected to this honor by members of the local troop and thus achieved a goal for which each of them tried throughout the Scout year.

The selection as delegates and resultant trip to Valley Forge was the incentive to greater and better Scout work and each delegate was selected because his mates knew that he had been outstanding in his endeavors.

Hamlin Post 6014 of the Veterans of Foreign Wars was first to become interested in a fund raising campaign for this cause. This group staged softball games, the entire expenses of which they paid from their treasury, contributing all receipts to the Boy Scouts.

By this means, the VFW was able to put up the expense money for one boy. They immediately started preparations to raise the funds to send a second boy. They have assured Scout executives that they will accomplish this goal.

In this manner, one organization in Hamlin has undertaken to assume half the burden for what is a community project. Two more Scouts are yet to be arranged for. An appeal was presented to the Rotary and Lions clubs to participate in this campaign.

It is to be assumed that these groups will recognize the worth of the project and assist in the fund raising campaign.

Hamlin is fortunate in that it has not been faced with a youth problem that is of such prime importance in many other communities. No youth center has been demanded or needed up to now. Athletic activities, agricultural interests and the Boy Scouts have provided healthy outlets for the youth of the community.

And the cost has been very small.

Green Receives First Shipment of Cars

The John F. Green Motor Co. has received their first carload of Dodges and Plymouths from the Chrysler plant.

The local company had a car of automobiles scheduled for shipment two days after the strike was called and were successful in having their car shipped on the same schedule after the strike was settled.

Summer School Meets Monday for Classing

All students interested in taking summer courses will meet at Hamlin high school building Monday morning at 9:00.

The announcement was made by Principal B. V. Newberry.

This announcement applies to elementary as well as high school pupils.

G. W. Kincaid Attends Butane Meet in Austin

G. W. Kincaid of the Kincaid Butane Company of Hamlin spent a week at the recent Texas Butane Dealers Association at Austin last week.

There classes were conducted for the owners and "top brass" of Texas' butane businesses.

Although the Association has held several schools for installers, drivers, etc., this was the first for owners of the businesses.

Mr. and Mrs. Ted Armstrong, son Dick and two daughters attended both exercises at Texas Technological College, Lubbock when their son, Ted Jr. received his degree Monday.

Tight Fought Games Feature Softball Start

Initial games of the summer softball program in Hamlin were reeled off Monday night with Neinda engaging Sylvester and VFW contesting Hamlin Lions.

First encounter was that involving Neinda and Sylvester. The contest ended in a 7-7 tie under the rules which stipulate that no inning is to start after 9:10 p. m. when double-header games are being played. The contest ended in the fifth inning. The tie will be played off when these teams are again scheduled.

V. F. W., which is doped as the favorite in the league, was hard pressed to defeat the Lions team in the afterpiece. Final score was V. F. W. 15, Lions 10.

Games scheduled for Tuesday were postponed because of conflict with commencement exercises at the high school. These games will be moved up to June 13.

Thursday night Lions engaged Hitson in the first game and Conoco battled Neinda.

Monday night will see McCaulley in its first appearance here against VFW and Conoco will take on Sylvester.

Tuesday night will bring an exhibition with Hamlin's girls appearing against Hitson and a league game with Hitson battling McCaulley.

Peterson Boosted As Kemp Elected Telephone Head

R. B. Peterson, who has been manager of the Southwestern Bell Telephone Company here for the past four years, has been promoted to manager at Wichita Falls, according to W. L. Blakney, district manager.

Succeeding Peterson here will be Marshall Kemp, who comes from Fort Worth where he has been commercial staff assistant in the division office of the company.

Kemp has been with the company since 1947, serving as com-

munications representative and communications engineer in Fort Worth before becoming commercial staff assistant.

New manager attended Texas Christian University, and while in the Army during the war took training at Indiana University. He entered service in 1942 and after serving in the European Theatre was discharged in 1945 as a master sergeant.

Kemp will have supervision over telephone matters in Anson, Colorado City, Hamlin, Roscoe, Rotan, Sweetwater, Snyder and Stamford, as did Peterson, with headquarters in Sweetwater.

Peterson, has been with the telephone company for 21 years and manager here since 1946, he was prominent in civic affairs.

NAZARENE CONFERENCE

A Teacher's Conference has been set for Saturday at the Church of the Nazarene at 3:00 p. m. according to a report from the pastor, Rev. Howard Smith. He urged all to be present for the meeting.

Seniors In Final Graduation Event

Twenty seniors step forth Tuesday night as final ceremonies were conducted relative to their graduation from Hamlin high school.

In keeping with many towns throughout the state, Hamlin's class was small for this year. This was caused by the change to 12-grade systems throughout the state and under ordinary circumstances there would have been no graduating class this year.

Program followed in the commencement exercises was on the theme of "Our High School and Its Educational Opportunities."

The program follows: Processional; Laura Courtney Presiding, Class President John Holland.

Invocation, Rev. A. R. Posey. Salutatory Address, Nellie Koonce.

Class History, Patsy Parker.

Under heading of Educational Offerings talks were presented by students rather than have a commencement speaker. These were: Vocational, Nita Green.

Fine Arts, Wayne Daniel.

Academic, Frances Martin.

Extra Curricular, Jerry Briscoe.

Thetalks were interspersed with presentations from the Glee Club and high school band under the direction of Walter Chalcraft.

Presentation of diplomas followed with Supt. Hutchinson officiating. The school was presented with a speakers' rostrum for the auditorium by the departing class.

Valedictory address was by Donna Miller.

Benediction closed the exercises with Rev. L. W. Pate officiating.

Graduates were: Frances Boyd, Jerry Briscoe, Bobby Ruth Brown, Lester Campbell, Harold Carter, Wayne Daniel, Ynell Decker, Nita Green, John Holland, Nellie Marie Koonce, Frances Martin. Donna Miller, Bobby O'Neal, Patsy Ruth Parker, Bedford Putnam, Roy Riley, Raymond Seifres, Richard Sumrall, Cleta Faye Willis, Frankie Sue Wilson.

Sponsors of the class were Mrs. Mary Farrow, Miss Billie Kathryn Lancaster and Mr. B. V. Newberry.

Mr. and Mrs. Clarence Johnson of Mansfield, Arkansas are visiting this week with Mr. and Mrs. W. F. Johnson.

Lions Club Hears Varied Program

Hamlin Lions met in luncheon session Tuesday and were entertained by a varied program contributed by members of the club.

Stanley Carmichael presented a letter from the state health office relative to the T-B X-Ray Clinic which is scheduled for appearance in Hamlin this year. Joe Breed, Anson, county chairman of the x-ray drive last year, assisted in explanation of the functions performed. The club was notified that a meeting to program the drive for 1950 would be held in Anson June 1 at 9:30 a. m.

This will be a free service rendered to the people of Hamlin and is a part of a state-wide drive to control tuberculosis in its early stages.

Clyde Angel reported on the movement to send Boy Scouts to the National Jamboree at Valley Forge, Pennsylvania.

Jim Howard Hughes gave a detailed description of activities of the Lions convention held at Mineral Wells. Of particular interest was his description of memorial services held for Lions club members who had died during the club year.

Newt Jones, Kansas City banker, and guest of W. C. Russell, described economic conditions of the midwest and southwest portions of the country.

Mr. Jones repeated the general optimism which had been manifested at the state bankers' meeting in Fort Worth.

TEXAS' REPLICA OF THE LIBERTY BELL started its tour of the state last Tuesday following ceremonies in Fort Worth to inaugurate the Independence Savings Bonds Drive. Governor Allan Shivers, left, unveiled the bell, which is one of 49 duplicates of the original Liberty Bell that are touring the states and the District of Columbia.

Nathan Adams of Dallas, savings bonds chairman for Texas, is pictured with the governor shortly after he had rung the great bell to officially open the drive. The bell, mounted on a specially decorated truck, will visit 120 Texas cities and towns on its 5,790 mile tour, which will end on July 4, Independence Day.

Burleson Sets Date Jaycees Sponsor Delivery To Start Clean Up Week

According to a report from Omar Burleson, congressman the city mail delivery for Hamlin will begin on July 1.

This information was contained in a letter addressed to Perry Sparks from the Texas congressman.

Burleson has been active in an effort to speed up institution of this service for Hamlin and has been in contact with Sparks during the long effort to obtain the service for Hamlin.

Sparks has informed The Herald that he will have information to divulge pertinent to the start of city mail delivery for next week.

It is probable that a number of residences are still without numbers, which must be posted prominently on the premises before mail delivery starts.

The Junior Chamber of Commerce, infant service organization of Hamlin, has undertaken the civic project that is most vital to the welfare of its citizens.

Through efforts of the Jaycees, the week of Monday, May 29 through Saturday, June 3 is to be officially designated as Clean Up Week. Proclamation of Mayor B. M. Brundage has been issued to this effect.

Information vital to the campaign will be circulated by the Jaycees and instructions will be posted as to how best to assist in the fight against disease breeding filth.

The Jaycees are headed by Wesley Nail, business manager of the Hamlin Memorial Hospital, and he has stimulated interest of the organization in public welfare.

PROCLAMATION SPRING CLEAN-UP WEEK MAY 29 thru JUNE 3, 1950

WHEREAS, cleanliness and good house-keeping protect the health and welfare of our city and, WHEREAS, the destruction of human life and property is caused by disease, fire and filth; and, WHEREAS, it is the responsibility of every man, woman and child to assist in the protection, and happiness, of our community; and, WHEREAS, the Hamlin Jaycee Organization is sponsoring a Clean-up Week; NOW, THEREFORE, I, B. M. Brundage, Mayor of the City of Hamlin, do hereby proclaim the week of May 29 thru June 3, 1950, inclusive Spring Clean-up Week and respectfully urge the co-operation of our entire citizenship.

B. M. Brundage, Mayor

Alleys Must Clear For Cleanup Drive

In conjunction with the clean-up drive being sponsored by the Junior Chamber of Commerce for Hamlin, the city administration is apprehensive as to the grief they are to encounter in this movement.

Evidences have already been cited where pick-up trucks have been forced to stop and clear the right of way through alleys in order to reach refuse that has been set out for pick up service.

A plea has been issued that all tree limbs, grass piles and other accumulated debris be placed at a point alongside of the alley right of ways rather than directly in the path over which the vehicles must pass. It has been explained that trash can be much more efficiently handled if it can be picked up from each side of the truck for loading and a much larger area of the city can be covered in one day in this manner.

There have even been instances of cars being parked directly in the alleys rather than headed in out of the path of other vehicles.

National Geophysical Moves Party Here

Announcement has been made that the National Geophysical Co. will move their Party Number 1 to Hamlin immediately.

The party will be under the supervision of J. L. Parsons and it is moving here from Abilene. An effort is being made to find housing for eight families connected with the party.

Aspermont Revival Is Led By Hamlin Pastor

With a new fire-proof tent and steel chairs, a tent revival at the Assembly of God Church at Aspermont started Tuesday night.

REV. G. R. UNDERWOOD

according to a report received by The Herald.

Services will continue thru June 4 and services begin at 8:00 p. m. each night.

tor of the Hamlin Assembly of God Church are conducting the services. Special singing is held each night.

All churches are invited to attend the services.

Fire Department Gets New Pressure Hose

Hamlin's volunteer fire department has received a shipment of new high pressure hose to augment the supplies carried on the equipment now in use.

The new hose will permit much greater reaching power with water in the future fighting of fires.

First Wheat Cut Confirms to View Of Production Hope

First wheat for the Hamlin area was cut Saturday, May 20, and was received at the F. B. Moore elevator Sunday from the fields of Floyd and J. T. Smith, 5 miles southwest of Hamlin.

The wheat was of the Early Blackhull variety and tested 60 pounds to the bushel. Yield was computed at 16 bushels to the acre.

Moisture content was 12.46. Ten and three-tenths acres were cut and produced 10,300 pounds of grain.

Early Monday morning McBride and Johnson received first wheat from that farm from Willie Mayberry.

The wheat was produced from the same area as the Smith shipment.

The wheat was harvested by T. C. Robertson and yield was an estimated 12 bushels per acre. Test was 60 pounds to the bushel and moisture content was 14.50.

Both farms paid \$2.50 premium price for the first wheat received. Market at that time was \$1.90.

Wheat continues to arrive and carload shipments are being made. Crowell had the first carload for shipment to Fort Worth and Hamlin failed to gain this distinction.

For many years the first shipments have been made from Hamlin or this immediate vicinity.

New Orleans Goal Of Graduate Class

Sixteen of Hamlin's high school seniors were on their way to the Crescent City Thursday morning.

New Orleans was chosen as the goal for the senior trip for 1950 and the party boarded a school bus Thursday morning for Abilene where they will board a Texas and Pacific train for the big journey.

A full itinerary has been planned for the group and historic sights in the city will all be on the list. Famous eating establishments are included where creole cooking will be sampled.

Seniors included in the party are Jerry Briscoe, Harold Carter, Eldon Campbell, Donna Miller, Buddy O'Neal, Wayne Daniel, Bobby Brown, Cleta Faye Willis, Patsy Parker, Ynell Decker, Frances Martin, Raymond Seifres, Nellie Koonce, Nita Green, Bedford Putnam and Frances Boyd.

Adults to accompany the group are Billie Kathryn Lancaster, Billie Joe Parrish, Mrs. Mary Farrow, Mrs. Alta Haight, Mr. and Mrs. W. C. Russell, I. R. Hutchinson, Mrs. Ben Parker and Mrs. Austin Poe.

The party will be gone for approximately one week.

Three From Hamlin Receive Tech Degrees

Three Hamlinites will receive their degrees from Texas Technological College, Lubbock held this Monday in Jones Stadium at Lubbock.

Those from Hamlin were: Martha Mae Davis, a BA degree in English; Mart Ocie Farrow, a BS degree in petroleum geology; and Ted E. Armstrong Jr., a BBA degree in management.

ner and son, Carl, who will remain in Austin for a longer visit with Mrs. Cash, mother of Mrs. Robert Gardner.

Census Total Falls Below Estimates

The Herald has been confronted with varied rumors as to the 1950 population figure that would be chalked up for Hamlin in the census just taken.

Wednesday the Bureau of Census was called in Abilene and Mr. Pulver of that office graciously provided us with definite figures.

The census count for Hamlin is 3,564, according to the returns on file in the Abilene office.

Pulver assured The Herald that these figures were subject to revision and that a revised total would probably have an upward trend if it followed the pattern of returns already compiled.

It was explained that some instances of duplication would be uncovered where families were in transit here and would originally have been credited to another or former home community.

On the basis of the 1940 census for Hamlin, which was set at 2406, this would reflect a growth of 1,158 souls for Hamlin in the ten-year period.

A report on the totals for Anson and Stamford was not available at the time the Hamlin figures were obtained. An effort was being made to furnish Stamford with results of the count on the same day, but Pulver was unable to divulge the totals.

In a hurried series of interviews on the streets of Hamlin, a Herald representative asked for estimates of what the totals would be. Most of the citizens questioned ventured a guess in the 4,000-4,500 range.

Most accurate of the estimators were Stanley Carmichael and Mrs. Jess Young, both of whom set a flat 3,500 as their guess.

Most optimistic of the group was Charles Gardner with a 5,599 estimate.

VFW Sponsored Poppy Sale Slated for 29th

Post 6014 of the Veterans of Foreign Wars and their auxiliary will gain conduct their annual poppy sale in Hamlin.

It was explained by local VFW spokesmen that the funds resulting from sale of the poppies will principally remain in Hamlin for assistance of needy persons.

Particular stress was placed on the fact that distribution of this aid was not necessarily limited to members of the VFW.

A portion of the fund will be subscribed to the orphans home maintained by the organization at Rapid City, Michigan.

Hamlin Construction Company Formed

Hamlin Construction Company, a new firm, was announced this week by Jack Farrow and Burl Bunkley.

The firm gives free estimates with no obligations.

They have completed 2 FHA houses and have under construction several small houses, Bunkley said.

They have several ready-built houses with prices on your lot with concrete foundation.

Agriculture Students And Athletes Fish

A group of athletic charges of Coaches Burditt and Townsend joined with T. C. Blankenship and his V. A. boys for an overnight fishing trip Wednesday.

The group assembled at the high school and loaded boats and equipment there for the trip. Destination was Clear Fork.

Mr. and Mrs. George Bourrillion, New York City, are visitors in the home of Mr. and Mrs. B. H. Gardner, parents of Mrs. Bourrillion. The Bourrillion and Garner families were week end guests in Austin in the home of Mr. and Mrs. Kendall Young. They were accompanied by Mrs. Robert Gardner.

Sylvester Man Chosen To Head Stock Show

Tommie E. Stuart, of Sylvester will be superintendent of the beef cattle class in the 1950 livestock show of the State Fair of Texas, according to a report made to The Herald by W. L. Stangel, dean, Texas Technological College, Lubbock, livestock superintendent.

The 1950 State Fair of Texas Mid-Century Exposition will start October 7. The Herald will carry stories of the size and so forth of this year's Fair later along.

Heart Attack Fatal To A. L. Josey, 59 Burial Monday

Allen Lacy Josey, 59, prominent Sylvester merchant died instantly from a heart attack 4:30 p. m. last Sunday at his home.

Services were conducted by Rev. C. R. Blake, pastor of the Sylvester Baptist Church, assisted by Rev. T. M. Harrell of Big Spring, Rev. W. C. Dever of Clyde and Rev. W. D. Green of Hermleigh at the church in Sylvester at 4:00 p. m. Monday.

Burial was in the Sylvester Cemetery by McCombs of Rotar. He was born January 1, 1891, at Rising Star where he was reared. And moved to Sylvester in 1907. He entered the grocery business in 1919 in partnership with Henry Scott, deceased. The partnership was dissolved in 1940.

Survivors include the widow; two sons, J. D. and Cecil both of Sylvester; three daughters, Ruth of Sylvester; Mrs. Fred Kiser of Escondido, California and Mrs. Joe Kelsey of Hamlin; and five grandchildren.

Palbearers were E. F. Lawlis, R. E. Kidd, James Beck, Melvin Thompson, John Edwards and Lee Brewer.

Smith-Doxey Program Now in Effect Says Abilene Director

Details of the 1950 Smith-Doxey cotton classing program for cotton farmers were announced this week by H. J. Matejovsky, in charge of the Abilene office of the cotton branch of Production & Marketing Administration, of the United States Department of Agriculture.

"Farmers will follow the same procedure as they did last year in signing up for this program," he said.

Under it, he continued, they receive without cost cotton classing and market news from U. S. Department of Agriculture. Any group of farmers organized to promote the improvement of cotton is eligible for these services.

He urged all cotton farmers interested in Smith-Doxey benefits to organize groups immediately and submit applications.

In 1706 Charles Pickney, ambassador to France, said, "Millions for defense, but not one cent for tribute."

BREAKFAST BREADS
Hot sweet breads and coffee cakes add variety and interest to breakfast, making it a meal that even the usual breakfast-skippers cannot resist. Here is a recipe for a basic dough which can be varied temptingly for different breads.
2 packages yeast, compressed or granular
1 cup lukewarm water
1 cup milk
5 cups sugar (about)
2 teaspoons salt
2 beaten eggs
1/2 cup melted margarine
1 teaspoon grated lemon or orange rind
Soften yeast in lukewarm water. Scald milk; add sugar and salt to the hot milk; cool to lukewarm. Add 2 cups flour. Mix well. Add softened yeast, eggs, and grated rind. Beat well. Add melted margarine. Mix well. Add enough flour to make a soft dough. Turn out on lightly floured board and knead until smooth. Place in margined bowl. Cover and let rise until about doubled in bulk. Punch down. Shape tea rings, rolls, or coffee cakes. Let rise until doubled. Bake in a preheated moderate oven (325° to 375° F.) for 20 to 30 minutes, depending on the size. This will make two 12-inch tea rings, 3 1/2 dozen rolls, or 2 coffee cakes.
For other tempting, nutritious food ideas, send today for your free copy of "Mealtime Marvels with Margarine," a helpful, 32-page recipe booklet in two colors. Write National Cotton Council, Box 76, Memphis, Tenn.

Camp Wetexaca For Girl Scouts Announced

Kathleen Crawford, of the Girl Scouts, informed The Herald this week of the Camp Wetexaca to be held for the Girl Scouts July 10 through 15 at Buffalo Gap.

She states that the camp is ideal with many crafts, swimming honors, etc. There will be rest periods, sing-songs and swims.

Plicity of wholesome food will be served at every meal she assured.

Antonio Stradivari was the most famous violin maker of all time.

New Mexico was the last state admitted to the Union.

West Texas Utilities Adds To Home Economics Staff

An addition to the staff of West Texas Utilities Company's Stamford district was announced as Mary Alice Howle, Home Economist, as announced by K. K. Francis, district manager.

"In keeping with our Company policy, of not only supplying low-cost electric power but also doing everything possible to help our customers obtain the full benefits of electric service," Francis said, "we have secured the services of a Home Economist, Mary Alice Howle, who will work throughout the district helping housewives stretch their kitchen budget-dollars."

"Miss Howle, who is being transferred to the Stamford District from Abilene, where she has been employed in the General Merchandise Department since March 1948, will be available to work with individuals, groups and clubs," he pointed out. Requests

for her services may be made at any West Texas Utilities Company office.

Mary Alice is the daughter of Mr. and Mrs. J. M. Howle of Abilene, and a native of Hodges. She attended elementary school in Anson and graduated from Eula High School. Following graduation she attended Hardin-Simmons University, Abilene where she majored in art and home economics.

Miss Howle will live in Stamford and a member of the Baptist Church.

California Creek Soil Conservation Wins Achievement Place

California Creek Soil Conservation District of which Hamlin is included brought home the bacon again. Last week at the Fort Worth Press Achievement Banquet, at Fort Worth the district won second place honors in Region Five and won third place honors in the state.

The winning of the second place gave the district \$200, with which to further soil conservation work in the area.

The district won fourth, second, second and first in the last four years in the region. Placings were made to the district that put out the most work per man year spent.

New York City was the first capital of the United States.

OFFERS TO PAY FRIENDS IF HADACOL DOESN'T HELP

HADACOL HELPS SUFFERERS OF
VITAMIN B₁, B₂, NIACIN AND IRON DEFICIENCIES

Mrs. Wallace tells her granddaughter, Maynell Wallace, over the phone how HADACOL brought relief to her.

Mrs. Belle Wallace, 449 Formwalt St., S. W., Atlanta, Ga., is so grateful to HADACOL for the blessings it has brought her that she has recommended HADACOL to a number of her friends. She told them she would pay for their bottles of HADACOL if it didn't help them. She explains with a smile that she hasn't had to pay any of her friends, because HADACOL has helped them.

Mrs. Wallace, who is 74 years old, has five children, seven grandchildren and two great-grandchildren. She was suffering from a deficiency of Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains.

Mrs. Wallace said: "I couldn't sleep or eat until I started taking HADACOL. I'd lie awake and toss and turn until the small hours of the morning. I was highly nervous. I couldn't even thread a needle. But, since I've been taking HADACOL, my nerves are as steady as can be. I couldn't eat because when I did my stomach would puff and bloated and fill with gas. I can't eat the 10th bottle of HADACOL, and my stomach is so much better."

Appetite Good
"I have a good appetite and my stomach does not bloat or fill with gas. I sleep like a log. I have recommended HADACOL to a number of friends and have told them that if it didn't help them, I'd pay for it. But, since I've been taking HADACOL, I can't eat the 10th bottle. HADACOL has done me more good than anything else I've ever taken."

Why Be Satisfied With Temporary Relief?
HADACOL also helps build up the hemoglobin content of your blood (where iron is needed) to carry these precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs—even to the eyes, hair and nails) to help repair the damage that such a deficiency may be causing there. Countless thousands are benefitting from HADACOL. Why don't you give it a chance to help you? Why continue to suffer? Remember, HADACOL doesn't give temporary relief. Instead, it treats the real cause of your illness when, as so often, it's due to such deficiencies. That's why it's so effective. That's why it is accomplishing such amazing results.

You'll Feel Great . . .
... with the first few bottles you take, or your money back. There is only one HADACOL and it is sold on a strict money-back guarantee. So give this remarkable HADACOL medicine a chance to help you. It's never too late to start taking HADACOL. Many who despaired of improvement found that HADACOL was almost like a miracle for them. Remember that HADACOL is amazingly different and amazingly effective because it treats the real cause of deficiencies of Vitamins B₁, B₂, Niacin and Iron. Make up your mind to take HADACOL regularly. Refuse substitutes. Insist on the genuine. You can't lose a cent because it's sold on a strict money-back guarantee. Only \$1.35 for Trial size, Large Family or Hospital size, \$3.95.

Santa Fe expresses its thanks

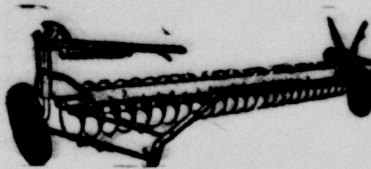

**A note of appreciation to employees, patrons
and friends who stood fast during the firemen's strike**

During this grave emergency we are proud that Santa Fe kept operating—not completely, but nevertheless still operating. Not a wheel was derailed; there was not a single personal injury. This was made possible only because of the response of loyal employees—many responding beyond their normal call of duty.

Our passengers and shippers showed both patience and understanding, and Santa Fe was heartened by their appreciation of our unswerving purpose.

Your understanding, help, and loyal cooperation are deeply appreciated.

MEMORIAL Day

As the Stars and Stripes dip in tribute to those who died, and the bugle blows its mournful "taps", we pause to honor once again the brave sacrifice of those who fought so gallantly to preserve the freedom we hold dear. Let us honor the men the only way they would understand... by practicing the democracy they fought to maintain.

Rotarians View War Film, Hear Scout Plea
Hamlin's Rotary Club met Wednesday noon for their weekly luncheon at the Johnson Drive-In.
Guests and out of town members were: George Kinney of Stamford, Gregory Haynes, Randy Robertson, Dan Parris all of Abilene and Gene Prewitt of Stamford. Clyde Angel was a guest of Pat Marlow.
Clyde Angel gave a report to the club on the Boy Scout Jamboree issue.
E. W. Cox had the program which was an aerial combat war film entitled, "The Case of the Tremendous Trifle." Film dealt with the bombing of roller bearing factories in Germany to slow down production.

Calvary Baptists Hold Weekly Song Practice

Dollar for Dollar— you can't beat a PONTIAC

Character is written all over it!

It's a wonderful feeling to take the wheel of a magnificent new Pontiac convertible—to feel the pride of driving a car with character in every line and action.
Naturally, the convertible is the sweetheart of the Silver Streaks, a car with a manner all its own. But character is a basic Pontiac ingredient—one that adds greatly to the pride and pleasure of owning and driving any Pontiac model you choose.
Every new Pontiac has character written all over it and stamped deep into its background. That's an important reason why dollar for dollar, you can't beat a Pontiac.
